Lynn named director at Alacritech

Barry X Lynn, a director of [Shoreline Venture Management](#), will join the board of directors of [Alacritech Inc.](#), a provider of data acceleration technology that is poised for growth after reaching a licensing deal with [Microsoft](#).

"Alacritech owns key I/O technology that is critical to efficient information delivery as network speeds increase," said Lynn, who is also president and CEO of [Be eXcel management Inc.](#) "The company's foresight has resulted in significant partnerships and revenue opportunities. Alacritech will play a key role in achieving my passion -- working with companies that marry information and networks, creating information utilities where all information, no matter where it is, and no matter what format it is in, can be easily accessed by anyone, anywhere, anytime."

Shoreline Venture Management is one of a handful of venture firms that are major investors in the San Jose-based Alacritech.

Earlier this month, Alacritech reached a settlement of its patent infringement suit against Microsoft. Under terms of that deal, Microsoft and [Broadcom Corp.](#) will license Alacritech's technology that facilitates increases in network data speeds.

"With the industry standardizing on
